

This program serves military families by assisting you to forward "manufacturer's coupons" to overseas military bases. These bundles of coupons are placed on tables, at the PX/BX and Commissary, or handed out for use by military members and families on base. This helps the family save valuable dollars and stretch their budget.

This is not a tax deductible charity. **This is a patriotic charity.** You are supporting the service person and their family by sending coupons that you do not use, and all of the extra ones that you can find, to them. The service pay rates are no longer below the poverty level, but they are in no way great when you have a family. Our military service families appreciate your assistance.

Cut coupons and place in fold-over sandwich bags or rubber band 100's at a time. In this way, you can easily count how many coupons you are able to fit into a USPS Priority envelope or box for mailing. Remember you can use coupons that are 2 months out of date, BUT try to allow some time, since these packages will be traveling.

After the manufacturers coupons are mailed, please report the number and base (from the below list), to Cheyhome and Fredrea. The quickest and easiest way is to do so is to use our chapter E-list. Just say, "I sent _____ coupons to _____ on (date)!".
